United States District Judge

Re: United States v. Joseph Davila
20 Cr. 292 (PKC)

Dear Judge Castel:

I represent Defendant Joseph Davila in the above-referenced matter and write to request a 60-day adjournment of Mr. Davila's sentencing hearing, presently scheduled for Tuesday, May 25, 2021, at 12:00 p.m. I have spoken with Assistant United States Attorney Thomas Burnett and he has informed me that the Government has no objection to the instant application.

As Your Honor may be aware, last month I was engaged in trial before Judge Crotty in United States v. Tagliaferro, 19 Cr. 472 (PAC) (SDNY), the lead up to which and now the post-trial follow-up from has taken up significant time in addition to the time that I was on trial. As a result, more time is needed to complete Mr. Davila's mitigation investigation and sentencing submission.

Accordingly, Defendant Joseph Davila, by and through counsel, respectfully requests a 60-day adjournment of his sentencing hearing, or to a date and time thereafter that is convenient to the Court. Once again, the Government has no objection to the instant application.

Thank you for your time and consideration.

Respectfully submitted,

Michael K. Bachrach
Attorney for Defendant Joseph Davila
